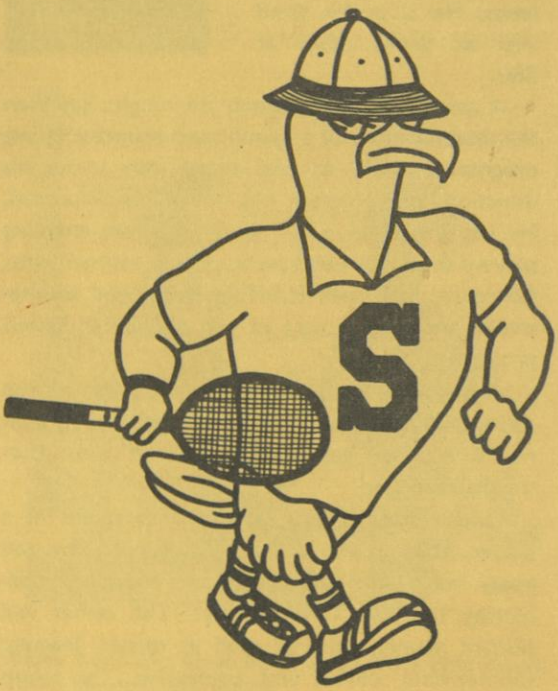
Salisbury State College

1975 MASON - DIXON
CONFERENCE CHAMPIONS



Tennis '76

Coach Burroughs

Coach Burroughs guided SSC to its best tennis season ever in 1975. The Gulls completed an impressive 15-4 season record, won the Mason-Dixon Conference championship and went on to participate in the NCAA II National Tournament in Pueblo, Colorado.

Burroughs is a member of the academic staff of the Department of Physical Education and Health and in addition to head tennis coach, he serves as associate director of athletics. He is in his third year as tennis coach at SSC.

A personal goal of Coach Burroughs has been the establishment of a sound, well-rounded tennis program at SSC. In two short years under his direction, the program has noticeably improved. He has instituted a fall tennis program enabling players to practice and participate in tournaments. Collegiate and open U.S.T.A. sanctioned tournaments are now a part of the active fall tennis program.

A southern tennis trip has been added to the spring schedule and a very competitive 25 dual match schedule has been established under Burroughs' direction.

Coach Burroughs is dedicated to tennis as a player, teacher and coach. This summer he will apply his tennis knowledge and energies to directing the SSC Tennis Center. The center will present tennis activities such as camps, leagues, tournaments, clinics and academies. The tennis center is dedicated to promoting tennis locally and throughout the state. His past experience as a club professional, tennis camp director and chairman of tournaments and clinics will prove invaluable in assuming the tennis center duties.

He is a member of the U.S. Professional Tennis Association (USPTA), the U.S. Tennis Association, Mid-Atlantic Tennis Association and Maryland Tennis Association. He rates as a USPTA "Professional."

1976 Sea Gulls' Forecast

The 1975 Sea Gull team compiled an outstanding 15-4 record and won the Mason-Dixon Conference championship. The Gulls lost only one player from the top six. With the return of several lettermen and a solid core of recruited players, prospects for the 1976 season look bright.

Heading the list of returning players are Greg Robinson, Mark Sewell, Wray Cannaday and Morgan White, all instrumental in last year's drive for the championship. Other returning lettermen are Paul Dawson, Denny Broderick, Mike Besche and Bryan Edmondson. Ernest Alonso is back after a year of ineligibility and Bill Hyle, a letterman in 1974, returns after a year's absence.

Outstanding newcomers are junior Tony Gardaya from Washington, D.C., freshman Larry Knopf from Dover, Del., and sophomore Jimmy Frazier from Southern Pines, N.C.

Gardaya is a veteran player transfering from Montgomery Community College, where he played no. 1 for two years. Experienced in college and tournament play, Tony will challenge for a high position on the team.

Knopf played no. 1 on his high school team and is highly ranked in Delaware.

Frazier is both an excellent student and player. He comes to SSC with the highest recommendatations from his junior college coach.

The Gulls will be defending their title at home as they host the Mason-Dixon Conference Championships in Salisbury. Towson State, George Mason and Loyola are expected to be the top challengers.

SSC will play eight home matches at its twelve plexipave court tennis complex. Six courts are equipped for night play with the finest Devoe lighting. Two courts are semi-stadium courts with bleachers. With the addition of a newly completed tennis house, SSC has one of the finest collegiate tennis facilities anywhere.

Roster

1st Row L-R Larry Knopf, Tony Gardaya, Ernest Alonso, Morgan White, Paul Dawson. **2nd Row L-R** Bill Hyle, Wray Cannaday, Greg Robinson, Denny Broderick, Mark Sewell, Coach Dean Burroughs.

ALONSO, Ernest	5'9" 170	Jr.	21 Boone, N.C.

Coach Burroughs shows Bill Riordan SSC's 1975 Mason-Dixon Championship trophy.

William Riordan is a resident of Salisbury, Md. He is the director of the USTA National Indoor Tennis Circuit. The Salisbury National Indoor Tennis Tournament is held in Salisbury yearly and is one of the 14 tournaments on the circuit. Mr. Riordan is the manager of many of the top-ranked players on the tour today. Mr. Riordan has long been interested in the college and is currently a member of the Salisbury State Sea Gull Club, a college booster organization.

Players

Greg Robinson — Liberal Arts - completed the 1975 season with an excellent 15-3 record, best on the team. Armed with an intense will to win, Greg has the knack of pulling off "comeback" wins over more highly rated players. After an active summer of tennis, Greg should have a banner year in '76.

Mark Sewell — Business - last year's no. 1 player. Mark had an off year, finishing with an 8-10 mark against stiff competition. Now a junior, Mark is a veteran player whose experience should pay dividends this year.

Wray Cannaday — Liberal Arts - captain of the team. The no. 3 player last year, Wray compiled a fine 14-5 record. He proved almost invincible in winning "tie breakers" and 3-set matches.

Ernest Alonso — Language - possesses a repertoire of the best strokes of any SSC player. Overall, Ernest is probably the most gifted player on the team and will challenge for a top position.

Tony Gardaya — Communication Arts - a junior college transfer from Washington, D.C. Tony is the hardest hitter on the team, and is expected to vie for a top spot.

Morgan White — Social Science - only player to win his conference championship flight in 1975. Now a senior, Morgan is a strong finisher. He captured more tournament points in 1975 than any other player.

Larry Knopf — Business - a gifted player who will challenge for one of the top six singles positions. Larry has all the strokes and needs only more experience to become a truly outstanding player.

Paul Dawson — Physical Education - A versatile player and an outstanding student. A senior, Paul plays with great desire. He didn't make top six until late last year but then helped the team to some needed wins.

Bill Hyle — Business - veteran player returning after a year's absence. He is an excellent doubles player, but could also prove to be a leading singles player.

Denny Broderick — Business - finished with a good 8-3 record last year and teamed with Morgan White to win the conference doubles championship at #3. Denny provides valuable depth to the team.

Mike Besche — Biology - steadiest player on the team from the baseline. With a year of college experience, Mike will be a valuable asset to the team.

Bryan Edmondson — Business - finished with an 8-4 record last year. Bryan is quick and steady from the baseline and needs only to improve his net game to move up as a singles player.

Jimmy Frazier — Physical Education - a junior college transfer. Jimmy is a hard server who has a strong desire to become a well-rounded tennis player.

1975 Results (15-4)
